this volume includes selected papers from the 28th language testing research colloquium held at the University of Melbourne Australia in July 2006 the papers selected for this volume share a common theme that of performance not only do they focus on performance assessments of second or foreign language speaking and writing but they also focus on the performance of the participants the candidate or candidates and the raters and the construction of that performance through the tasks and the assessment criteria

un análisis riguroso de Irán desde su rica historia antigua hasta su gran reto ante la modernidad un nuevo espacio de reflexión e intercambio de experiencias y conocimientos

the study examines the user friendliness of sources of verb syntax in monolingual English learners' dictionaries it is both theoretical and empirical in nature the theoretical part is based on an analysis of consecutive editions of major pedagogical dictionaries of English in paper form the empirical part relies on statistical analyses of numerical data yielded by comprehensive research which was based in the main on the experimental method in the experiment the user friendliness of sources of verb syntax in learners' dictionaries was measured by the frequency with which the properly identified and useful syntactic information was located in particular entry components the sources of syntactic information in the entries compiled especially for the purpose of the experiment were the ones which featured in the major pedagogical dictionaries most recent at the time of the study 606 subjects divided into two groups of different proficiency in English underlined in the manipulated entries the syntactic information which they considered helpful in answering multiple choice questions the most user friendly solutions both coded and uncoded ones are recommended in the final part of the book

this volume gathers researchers from around the world endeavouring to better understand a number of perennial issues in assessing Chinese learners of English covering topics such as students' test performances interactional competence and lexical knowledge students' motivation teachers' attitudes and assessment policy changes

recent work on second language acquisition within the generative framework has pointed out interfaces syntax discourse syntax semantics etc as a residual domain of vulnerability in L2 rather than in core syntax it is at the interface level that the divergence between native and non native grammars has been shown to be more prominent in this book the investigation of answering strategies and the focalization of new information subjects which require access to the syntax discourse interface will be pursued data is collected through an oral elicitation task on Finnish and Italian a rather unexplored language pair in various stages of language development advanced and intermediate L2 acquisition L1 under L2 attrition early bilingualism child monolingual L1 development

Cambridge Certificate of Proficiency in English 2 provides the most authentic exam preparation available the authentic papers allow candidates to familiarise themselves with the content and format of the examination and to practise useful examination techniques attractive colour visual material for paper 5 is included with each test enabling students to prepare thoroughly for the paired interview student's books with and without answers a teacher's book and audio CDs 2 are also available
